RESOLUTION OF THE RUSH COUNTY BAR ASSO-  
CIATION ON THE DEATH OF  
JUDGE JAMES C. COOPER

It was with deep regret that the members of the Rush County Bar Association learned of the passing of Judge James C. Cooper on September 13, 1970.

We all know that such is to be expected from among us at any time, and we know not who or the time, but when the time comes, it always creates a profound sorrow.

Judge Cooper was a graduate of Technical High School of Indianapolis and Indiana University School of Law and served

our County as Prosecuting Attorney for many years, and was later appointed the Public Defender of the State of Indiana for a period of eleven years. In the position of Public Defender he had the distinction of winning the award of the outstanding Public Defender in the United States. He concluded his distinguished career as a jurist by serving on the Indiana Appellate Court, and except for his untimely death he would have completed his twelfth year at the end of this year. His service to his County and State, together with the capable and judicious decisions he handed down, will stand as a memorial to him in the years to come.

He will long be remembered by the Rush County Bar Association, not alone for his legal attainments but for the very fine courtesy and friendship which he extended freely to every member of our Bar, and we wish to extend to his family our sincere sympathy.

It is unanimously resolved by the Rush County Bar Association that a copy of this Resolution be sent to the family of Judge Cooper and a copy be spread of record of the Clerk of the Rush Circuit Court of the State of Indiana.

DATED this 16th day of September, 1970.

RUSH COUNTY BAR ASSOCIATION
